#### A YEAR HAS PASSED AWAY.

Those whose lives were  
 Enriched in its time  
 Gather in remembrance.  
 Tears streak a youthful face.  
 Laughter springs from curled lips.  
 Dreamy eyes wander aimlessly.  
 Where are the last words honoring  
 the years gone by?  
 Memories will ever remain  
 in "The Epitaph".  
 Echoes of our first year are  
 filled with emotion and hope.  
 Meeting the challenges of creating  
 school ideals and organizing  
 Student Government.  
 Striving for individualism  
 and victory.  
 Looking to coming years  
 with expectation.  
 A year of planning, dreaming,  
 accomplishing.  
 A time whose spirit is instilled  
 within the heart of  
 Western High School . .  
 A time of "Aiming for the Future".

## AIMING

### for the FUTURE

THE FUTURE awaits us both. Challenging,  
 mocking, urging, ever beckoning us to greater  
 heights. Through you, our school, we approach  
 its realm realistically and with maturity. To-  
 gether we grew, confident and proud. We grew  
 together . . linked by common aims.

As we sculptured your traditions, we shaped  
 our own life.

As we worked toward your glory, we insured  
 our success.

While our teachers guided us, you sought out  
 our leadership to guide you.

While you made sure our every step on the  
 ladder to success, you filled our hearts with  
 memories everlasting.

Even more important than the challenges we  
 have overcome together, are the ever rising  
 dreams yet to materialize.

In appreciation and remembrance of the giv-  
 ing of each of us to the other, we of "The  
 Epitaph" staff dedicate these memories of your  
 founding year to your future.

May they ever remind you of the true spirit  
 of Western . . to aim ever higher.

Mike Wilson "62"

# Meet Our Principal...

MY CONGRATULATIONS TO THE CHARTER STAFF OF THE WESTERN HIGH SCHOOL "EPITAPH". Through the ages the truly great men have accepted a code of conduct for governing their own lives. May I share with you a code which has been variously stated in many ages?

In this world—

There is work to do. Learn to enjoy it!

There are grand people. Bind them to you in friendship.

There are disappointments and crises. Learn to rise above them.

There are great books written. Make them part of your life.

There is power in faith. Learn to live by it.

There is dignity in man. Learn to magnify it.

*A. C. Carson*

# His Assistants...

Cool HEAD

It gives me a considerable amount of satisfaction to realize that my former students have been busily engaged for the past year in building a school. We have a long way to go, but the basic problems have been eliminated. The students of Western High School have lived up to our expectations. The Junior class has gone beyond our expectations and has provided Western High School with the leadership that we all needed. Congratulations to all!

D.T. Thompson

Students of Western High School have every reason to be proud of a tremendously energetic and building first year. Through your co-operation my job has certainly been made easier and we have been able to maintain high standards in attendance, athletics and school activities. As administrators, we are "aiming for the future" as well — your future — and we want to provide you with the best education possible.

"All the world is a stage." Following in the tradition of the theatre, the Thespians, in displaying Western High School's dramatic abilities, brought realism, laughter, and fantasy to our school year. Noel Coward's "Blithe Spirit" revealed the capability of these novice actors. Striving for better relationships among schools, the Thespians participated in an exchange play program with Virgin Valley High School. Through this program, Virgin Valley presented the first play of the year, "Night Must Fall", by Emlyn Williams. Acting on the stage, or acting in their roles as students, these club members complemented their ability and their school. They prepared themselves for even a greater role—the role of success in future life.

# Press Club

**Sharon Beatty**  
Editor

Members of both the yearbook and newspaper staff joined in creating an organization devoted to common journalistic interests. Entering school activities, the club sponsored a "Surfers' Stomp" which was held in the early spring. Later in the year, qualified members were honored by initiation into the national society of "Quill and Scroll". Serious minded in their endeavors, and concerned about their future, these students inscribed their names on the role for future journalists.

Organized to boost all activities at Western High School, the Rooters Club, led by President Norman Jacobson, has been a backbone of numerous school projects since last fall when a solid nucleus was formed. Whenever something needed backing in any field, the Rooters Club was always there, seeking little glory for itself in its efforts toward assisting Western High School. . . . From luncheons weekly at the Las Vegas Bowl, to banquets, dinners, games and other school - sponsored events, these parents and friends of the school generously gave of their time, talents and financial support . . . The staff of the "Epitaph" felt that it was only fitting that this fine organization which has done so much to help us, be included in the school's first annual.

Scoring: Bob Smith 12, Fritz Kreuzer and Gerry Booker 6, Allan Wilk 2.

A year of learning for Western's football team in anticipation of things to come the following season and in future years. That's what the fall of 1961 produced. The Warriors started the year without a player who had a minute of varsity experience and with a team that averaged only 148 pounds all around. . . . The players tried hard and gave it their all in the seven-game schedule but superior manpower and weight by the opposition told the story in the long run. . . . An example of the team's attitude took place at Boulder City, the team's fifth game of the season. After taking four shut-outs in a row and trailing by four TD's, the Warriors came back to record the school's first tallies on an 11-yard pass from Tom DeMarco to Fritz Kreuzer and an 85-yard TD run on a kick-off by Gerry Booker. . . . The other two tallies the Warriors made came away from home against Brawley, Calif. Bob Smith, an end, hauled in both scores on passes from DeMarco. Place-kicker Allan Wilk made good on conversions after the first and third touchdowns. . . . Yes, the football team is "Aiming for the Future," and with a harvest of 31 lettermen back plus a big crop up from the junior varsity, the Warriors will be shooting for bigger and better things this fall.

## Players, Too

Player of the week was originated by the coaching staff and Rooters Club at Western High School to honor those athletes who were particularly outstanding during the various football games. . . . Through the co-operation of the Las Vegas press these players were honored and the "Epitaph" staff wishes to express its appreciation to the Las Vegas Sun and Review-Journal for many of the action photos which appear throughout this section and for their invaluable assistance in preparing the publication.

Mr. Roger Barnson  
 Coach

Coach Roger Barnson launched his coaching career last year as he coached the Western Jay-Vecs to a 4-1-1 record. . . . Barnson, assisted by Hubert Hawkins, started the year with a group of eager freshmen and sophomores, and coached them into one of the most powerful jayvee teams in southern Nevada. . . . Some of the players will move up to the varsity, but for those who remain it will be another year of learning this fall. A great start—and plenty to aim for in the future!

# Bowling

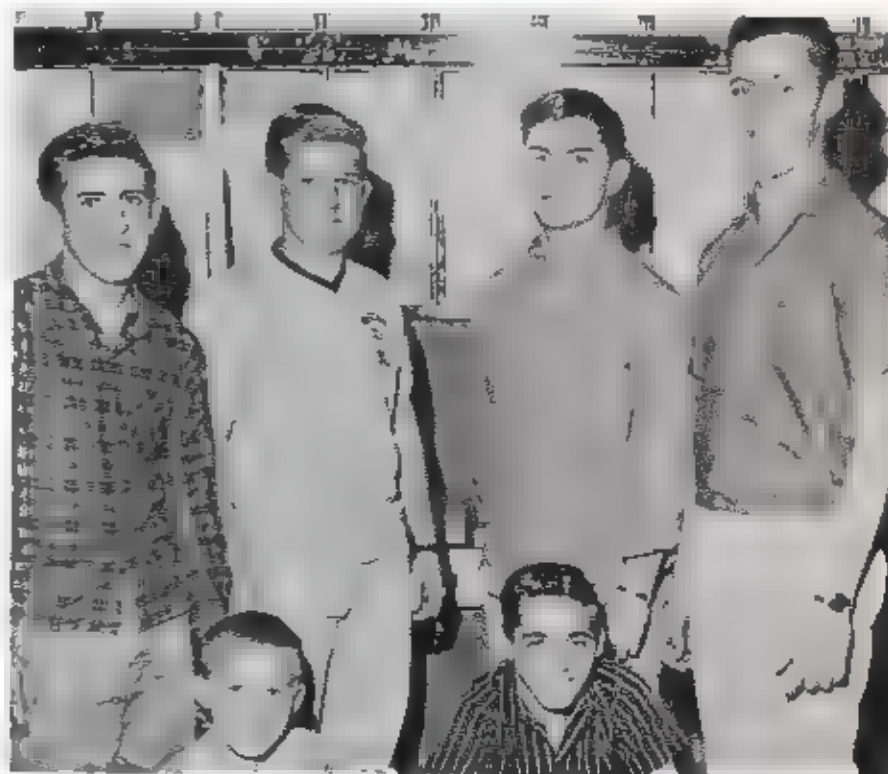

Western became a charter member of the first organized Clark County High School Bowling League which also consisted of Las Vegas, Rancho, Basic and Gorman in varsity, junior varsity and girls competition at the Showboat Lanes in Las Vegas and Henderson Bowl, Henderson. . . . Our three squads rolled a 12-week schedule which was not completed by deadline time. With complete squads back next year, the Warriors were truly aiming for the future in this sport.

## Golf

After the bowling season was well underway, the first Clark County High School Golf League was formed with Western again getting in on the ground floor with a promising varsity team. Opposition was furnished by Las Vegas, Rancho, Gorman, Basic and Nevada Southern University in the six-club circuit . . . Although it was too early to predict how Warrior linksmen would fare, they easily disposed of Gorman in their first scratch match, 7-0, and Las Vegas, 6-1, in the second contest.

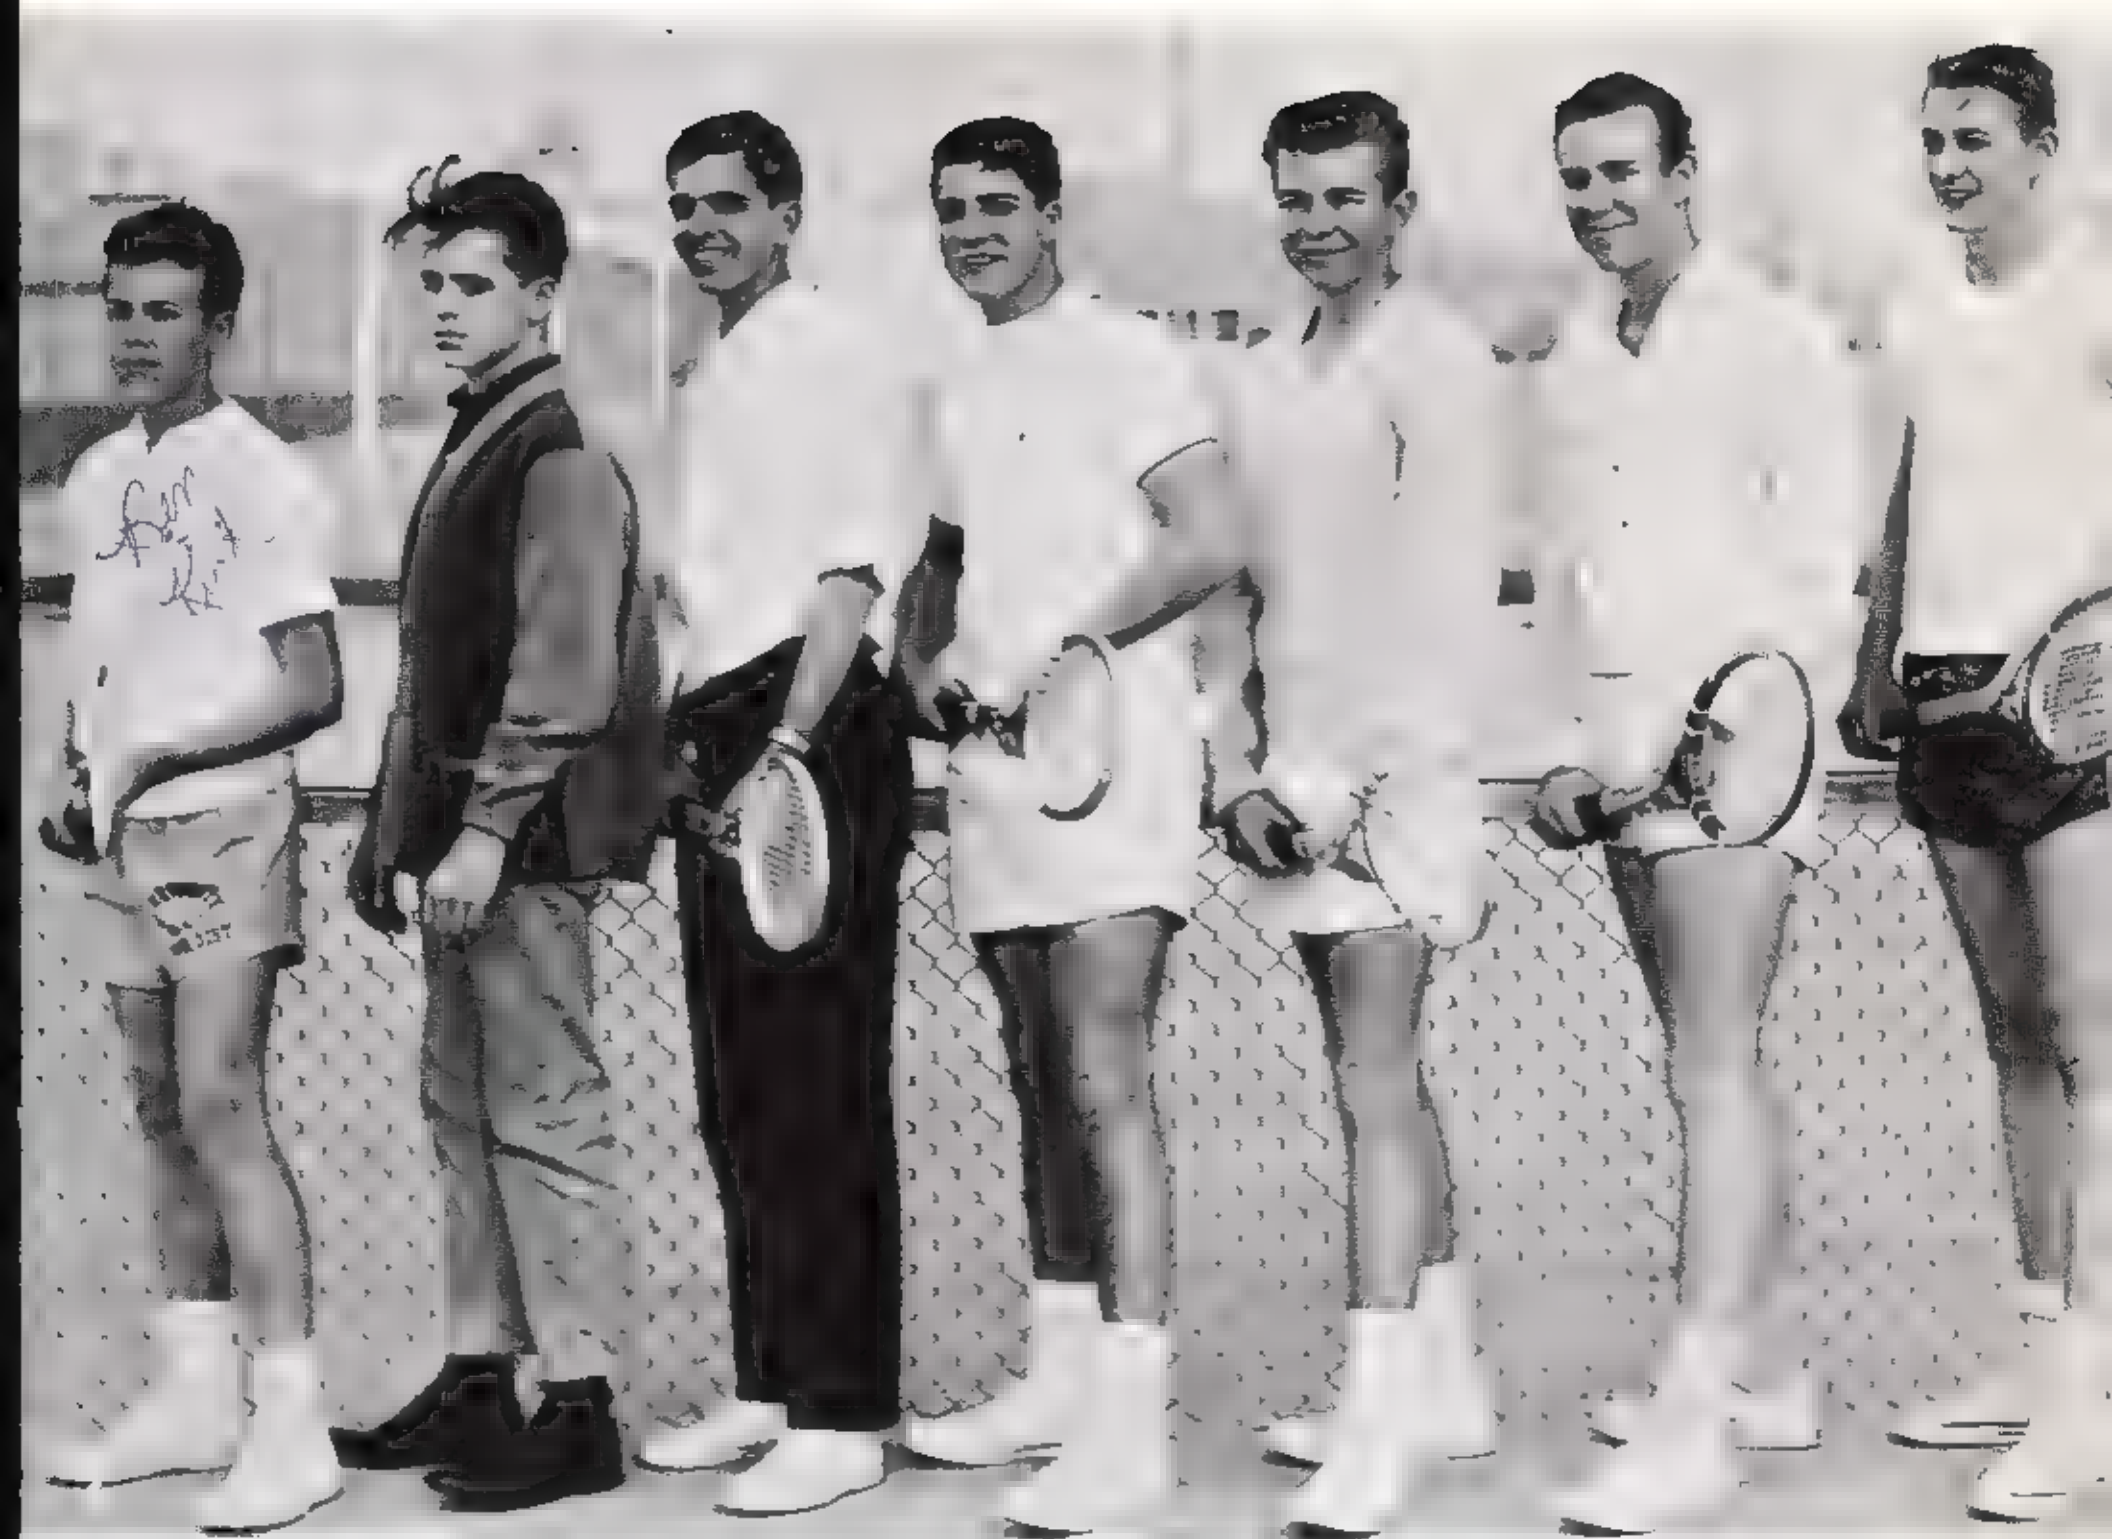

**TOP FOUR** Usually low scratch players for Warrior golf squad during first year (although order varied) were, from left, Steve Smith, Bobby Ritsko, Johnny Ritsko and Steve McCoy.

## Tennis

Western High's infant tennis team, under the guidance of coach Paul Smith, made an impressive 7-0 bow over Las Vegas in the first Clark County High School Tennis League match played by Warrior netmen and followed with a 6-0 (with one draw) against Nevada Southern University to appear to be well on the way toward a successful season. Five teams, including Western, formed the new league which also included squads from Las Vegas, Rancho, Basic and Nevada Southern University. Schools were due to play a double round robin schedule ending up on May 15 with a tournament, tentatively scheduled for Western, slated to wind up the season in late May . . . . With seasoned talent available it appeared the Warriors were aiming for big future things.

The "Epitaph" wishes to thank student photographer Richard Wood for his many and valuable contributions in this section.

The Junior Class this year overcame many obstacles as Western's first upper class. . . . The Juniors took the initiative in establishing traditions for the upper-class in years to come. Choosing a class ring, presenting the Junior Prom, and establishing such precedents as a Junior section and the privilege of leaving first in assemblies. The Juniors were active in school life

in this, their first year as upperclassmen. . . . In addition to their new responsibilities of leadership, the Juniors carried many courses necessary for graduation. . . . While the Junior year is one of many responsibilities and much hard work, it is at the same time one of the most enjoyable times of our lives.

Steve Jacobson, leads Junior Class . . . good things come in small packages . . . active in sports . . . well liked by fellow students.

This year's Sophomore Class has assumed many of the responsibilities ordinarily granted to upperclassmen. Once again, lack of a senior class has given a younger group a chance for a more advanced standing in the high school world than they would ordinarily have. . . . Having published the school directory and presented the Sophomore Hop, the Sophomores have matured and are better able to face and accept the responsibilities which will await them in their future years at the school.

Have an English problem? Just ask Rich. . . !

Oh, well, maybe they don't know how!

The Freshmen were Western's youngest underclassmen this year. They had to assume many new responsibilities. Members of their own class had to step forward and lead the group. The Freshmen supported many school activities and their school spirit was admirable. . . In the face of their many new responsibilities and experiences, the Freshmen grew in stature and maturity and are now ready to assume the obligations which will face them as Sophomores. . .

## In Appreciation . . .

We, the members of the "Epitaph" staff, dedicate this page to Mr. Ross Tucker, our advisor.

The beginning of the school year marked the organization of Western High School's first yearbook. Mr. Tucker encouraged students to develop their abilities in a manner benefiting themselves and the "Epitaph." His journalistic knowledge enabled him to make the various appointments necessary to the formation of the staff. Through his foresight and his faith in our capabilities we were able to choose a name for the annual, a theme, and a cover design.

Each challenge we encountered was easier to overcome as a result of Mr. Tucker's guidance and counsel. His patience with our shortcomings and inexperience earned the respect and admiration of every staff member. Even in the darkest times his humor and sense of fairness prevailed. Mr. Tucker, affectionately known as "Mr. T." has not only helped us produce a fine yearbook; he has also installed within us the maturity to face life as we have faced each deadline of the yearbook.

Many years will pass and we will meet many people, but always we will carry the memory of the man who taught us to "Aim for the Future."

# Aiming for the Future . . .

Our young eyes gaze upward,  
Beholding God's heavens of hope,  
Finding fortitude . .  
A white cloud daring darkened skies,  
Finding faith . . .  
A rainbow calming a crashing storm,  
Finding foresight . .  
A vast horizon waiting to be won.

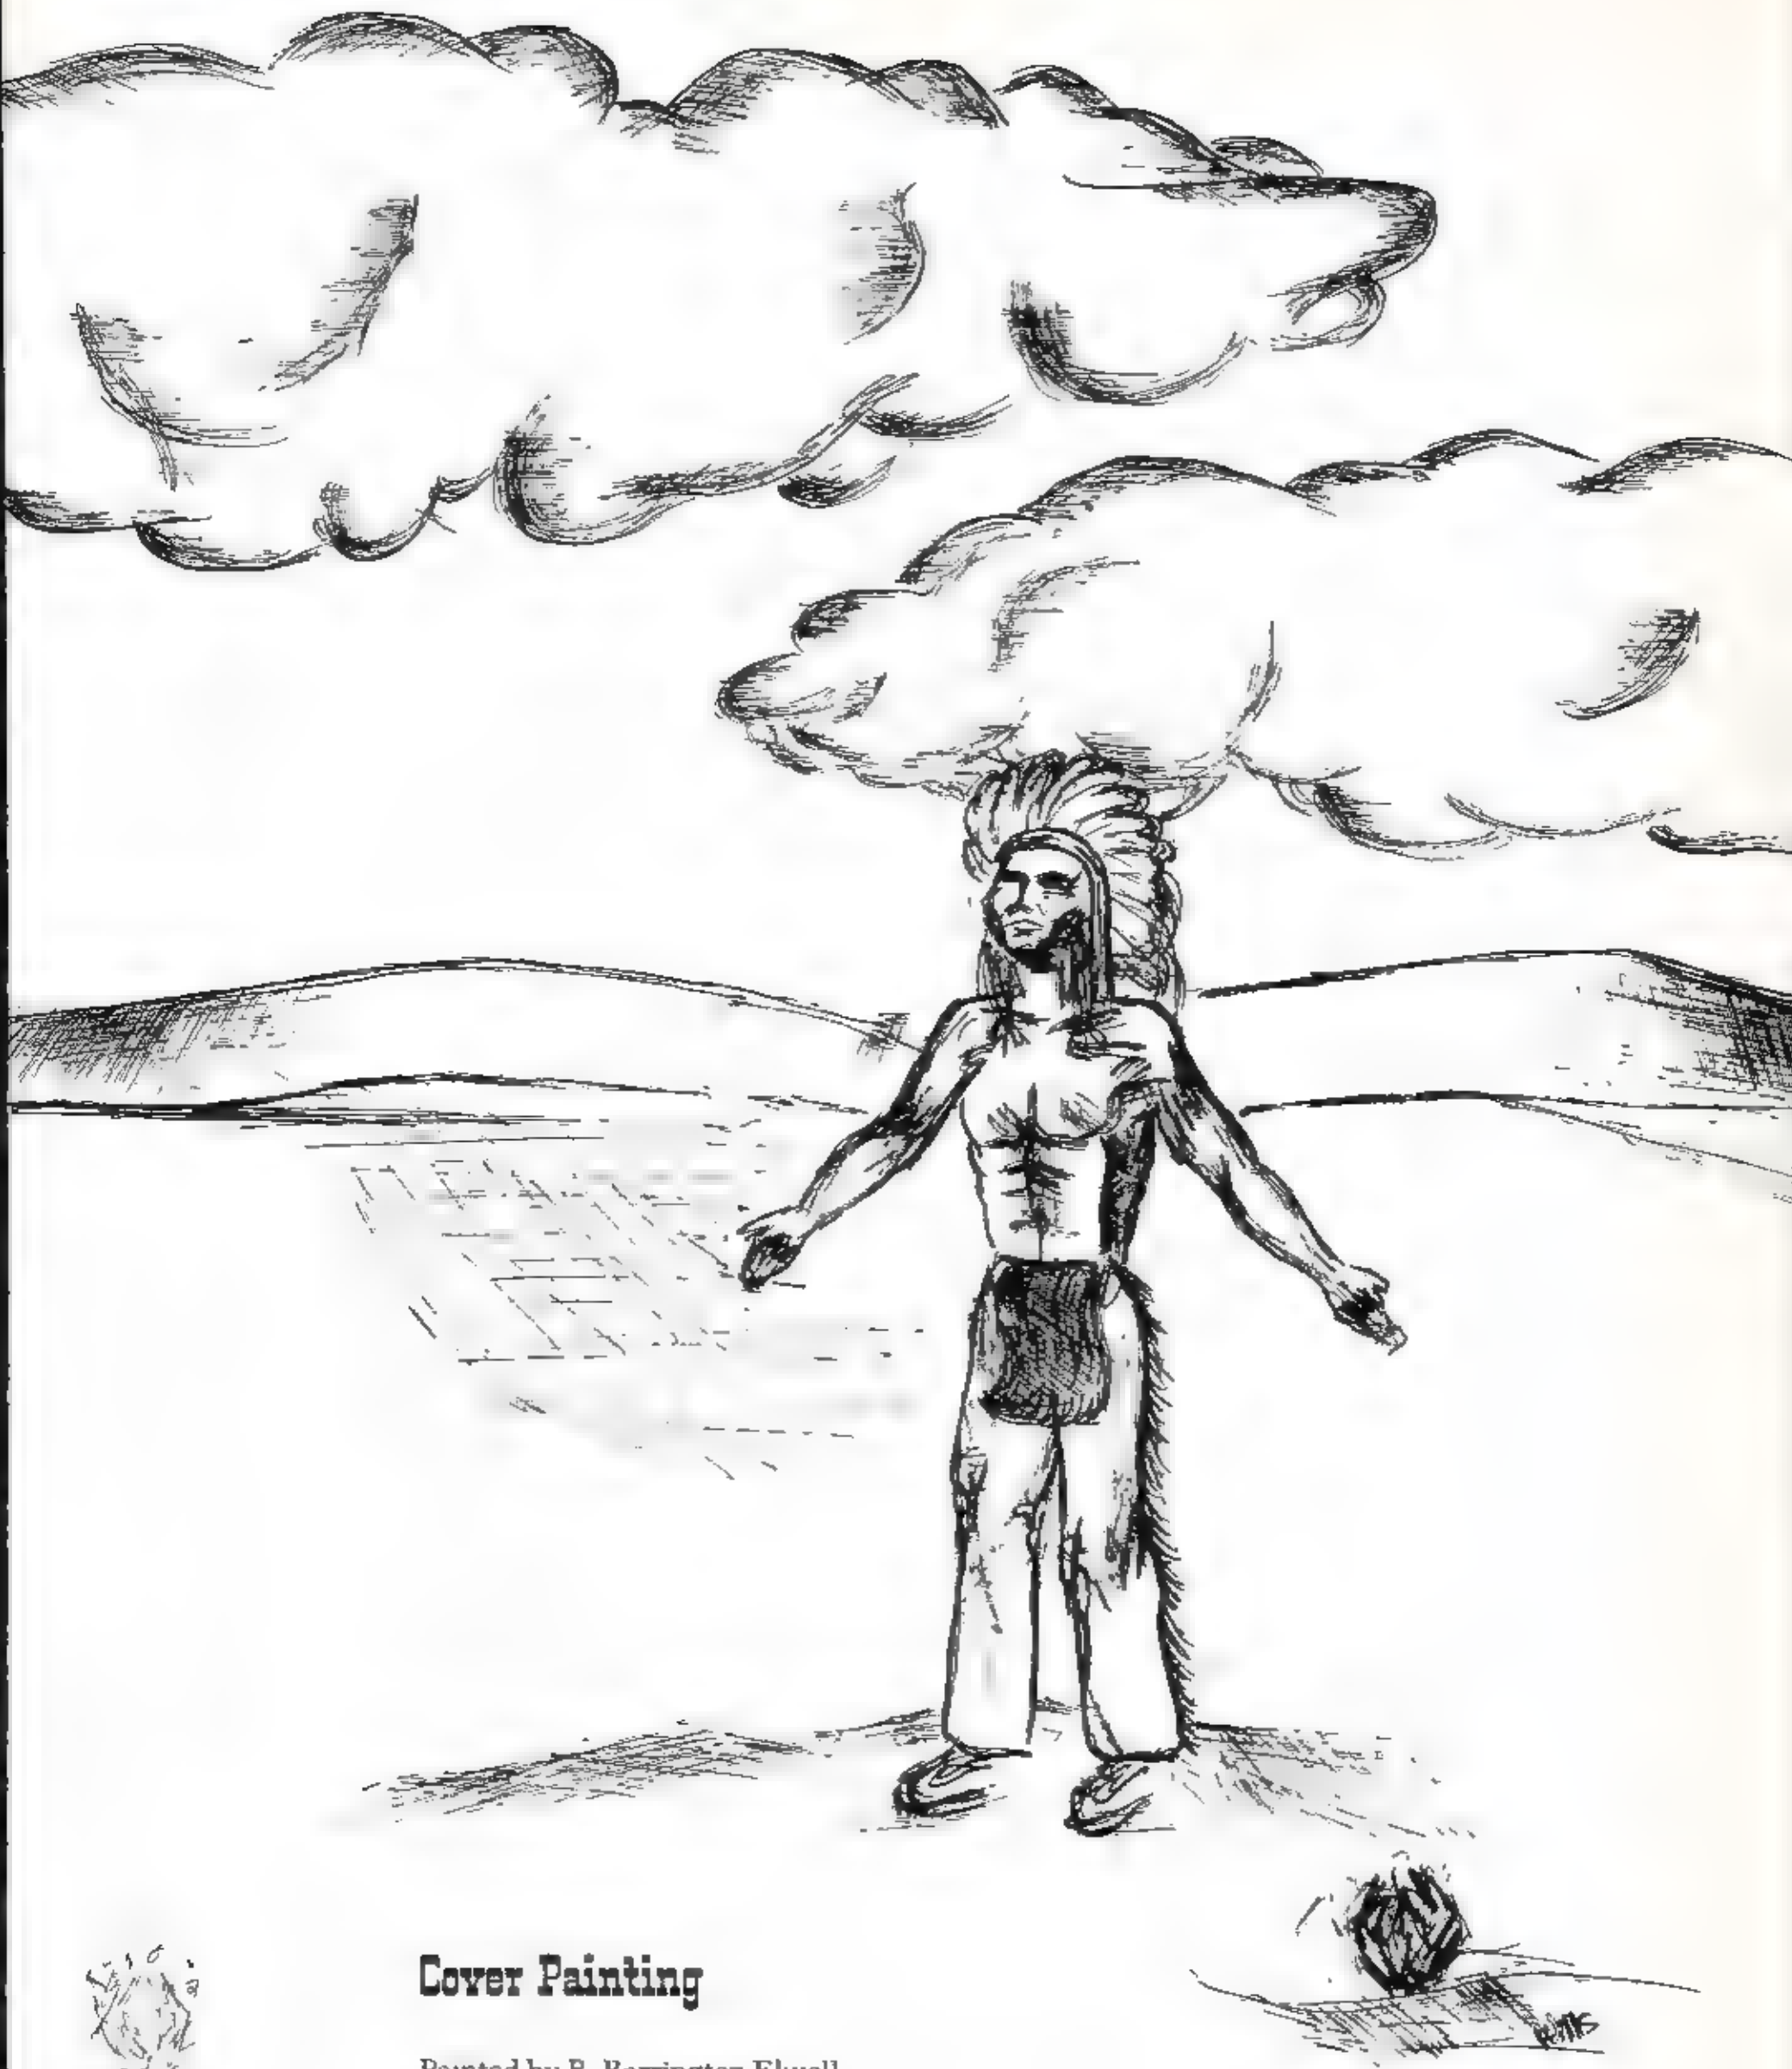

Our eager arms stretch outward,  
Embracing life's challenge with care,  
Wanting wisdom . . .  
A memory, a goal, tempered by truth,  
Wanting a way . . .  
A promise, a path, lighted by skill,  
Wanting wealth . . .  
A blessing, a desire, guided by ambition.

Our keen minds aim ever upward,  
Remembering youth's treasure of teaching,  
Guiding us upward . . .  
A realm of humbleness and honor,  
Guiding us outward . . .  
A place of friends and fancy,  
Guiding us onward . . .  
A site of plans and progress

When God's heavens are vague,  
Life's challenge is past,  
Youth's treasure is dust,  
May our faces turn to God,  
May our hearts retell the glory  
of AIMING FOR THE FUTURE.

Mike,

Well, here it is the end of the year already. It sure did go fast didn't it? I have really enjoyed knowing you these last four years, and I hope our friendship <sup>will</sup> continue for many years to come.

You're a real sweet <sup>(sorry)</sup> ~~guy~~ guy, and I'd say of any boy I know.

It's really been kicks having you in study hall this year and I hope if I have another study hall again next year you'll be in that one too. I'll never forget all the fun we've had in here even though I have got pretty mad at you at times.

Keep your good looks and tuff P.A. always

Love ya, just is,  
Dana Muldoon

Mike

To one of the nicest boys I have  
ever met. You're really sweet  
and cute and I think a lot  
of you. We have had a lot of fun  
together in these past years  
and I enjoyed every minute of  
it.

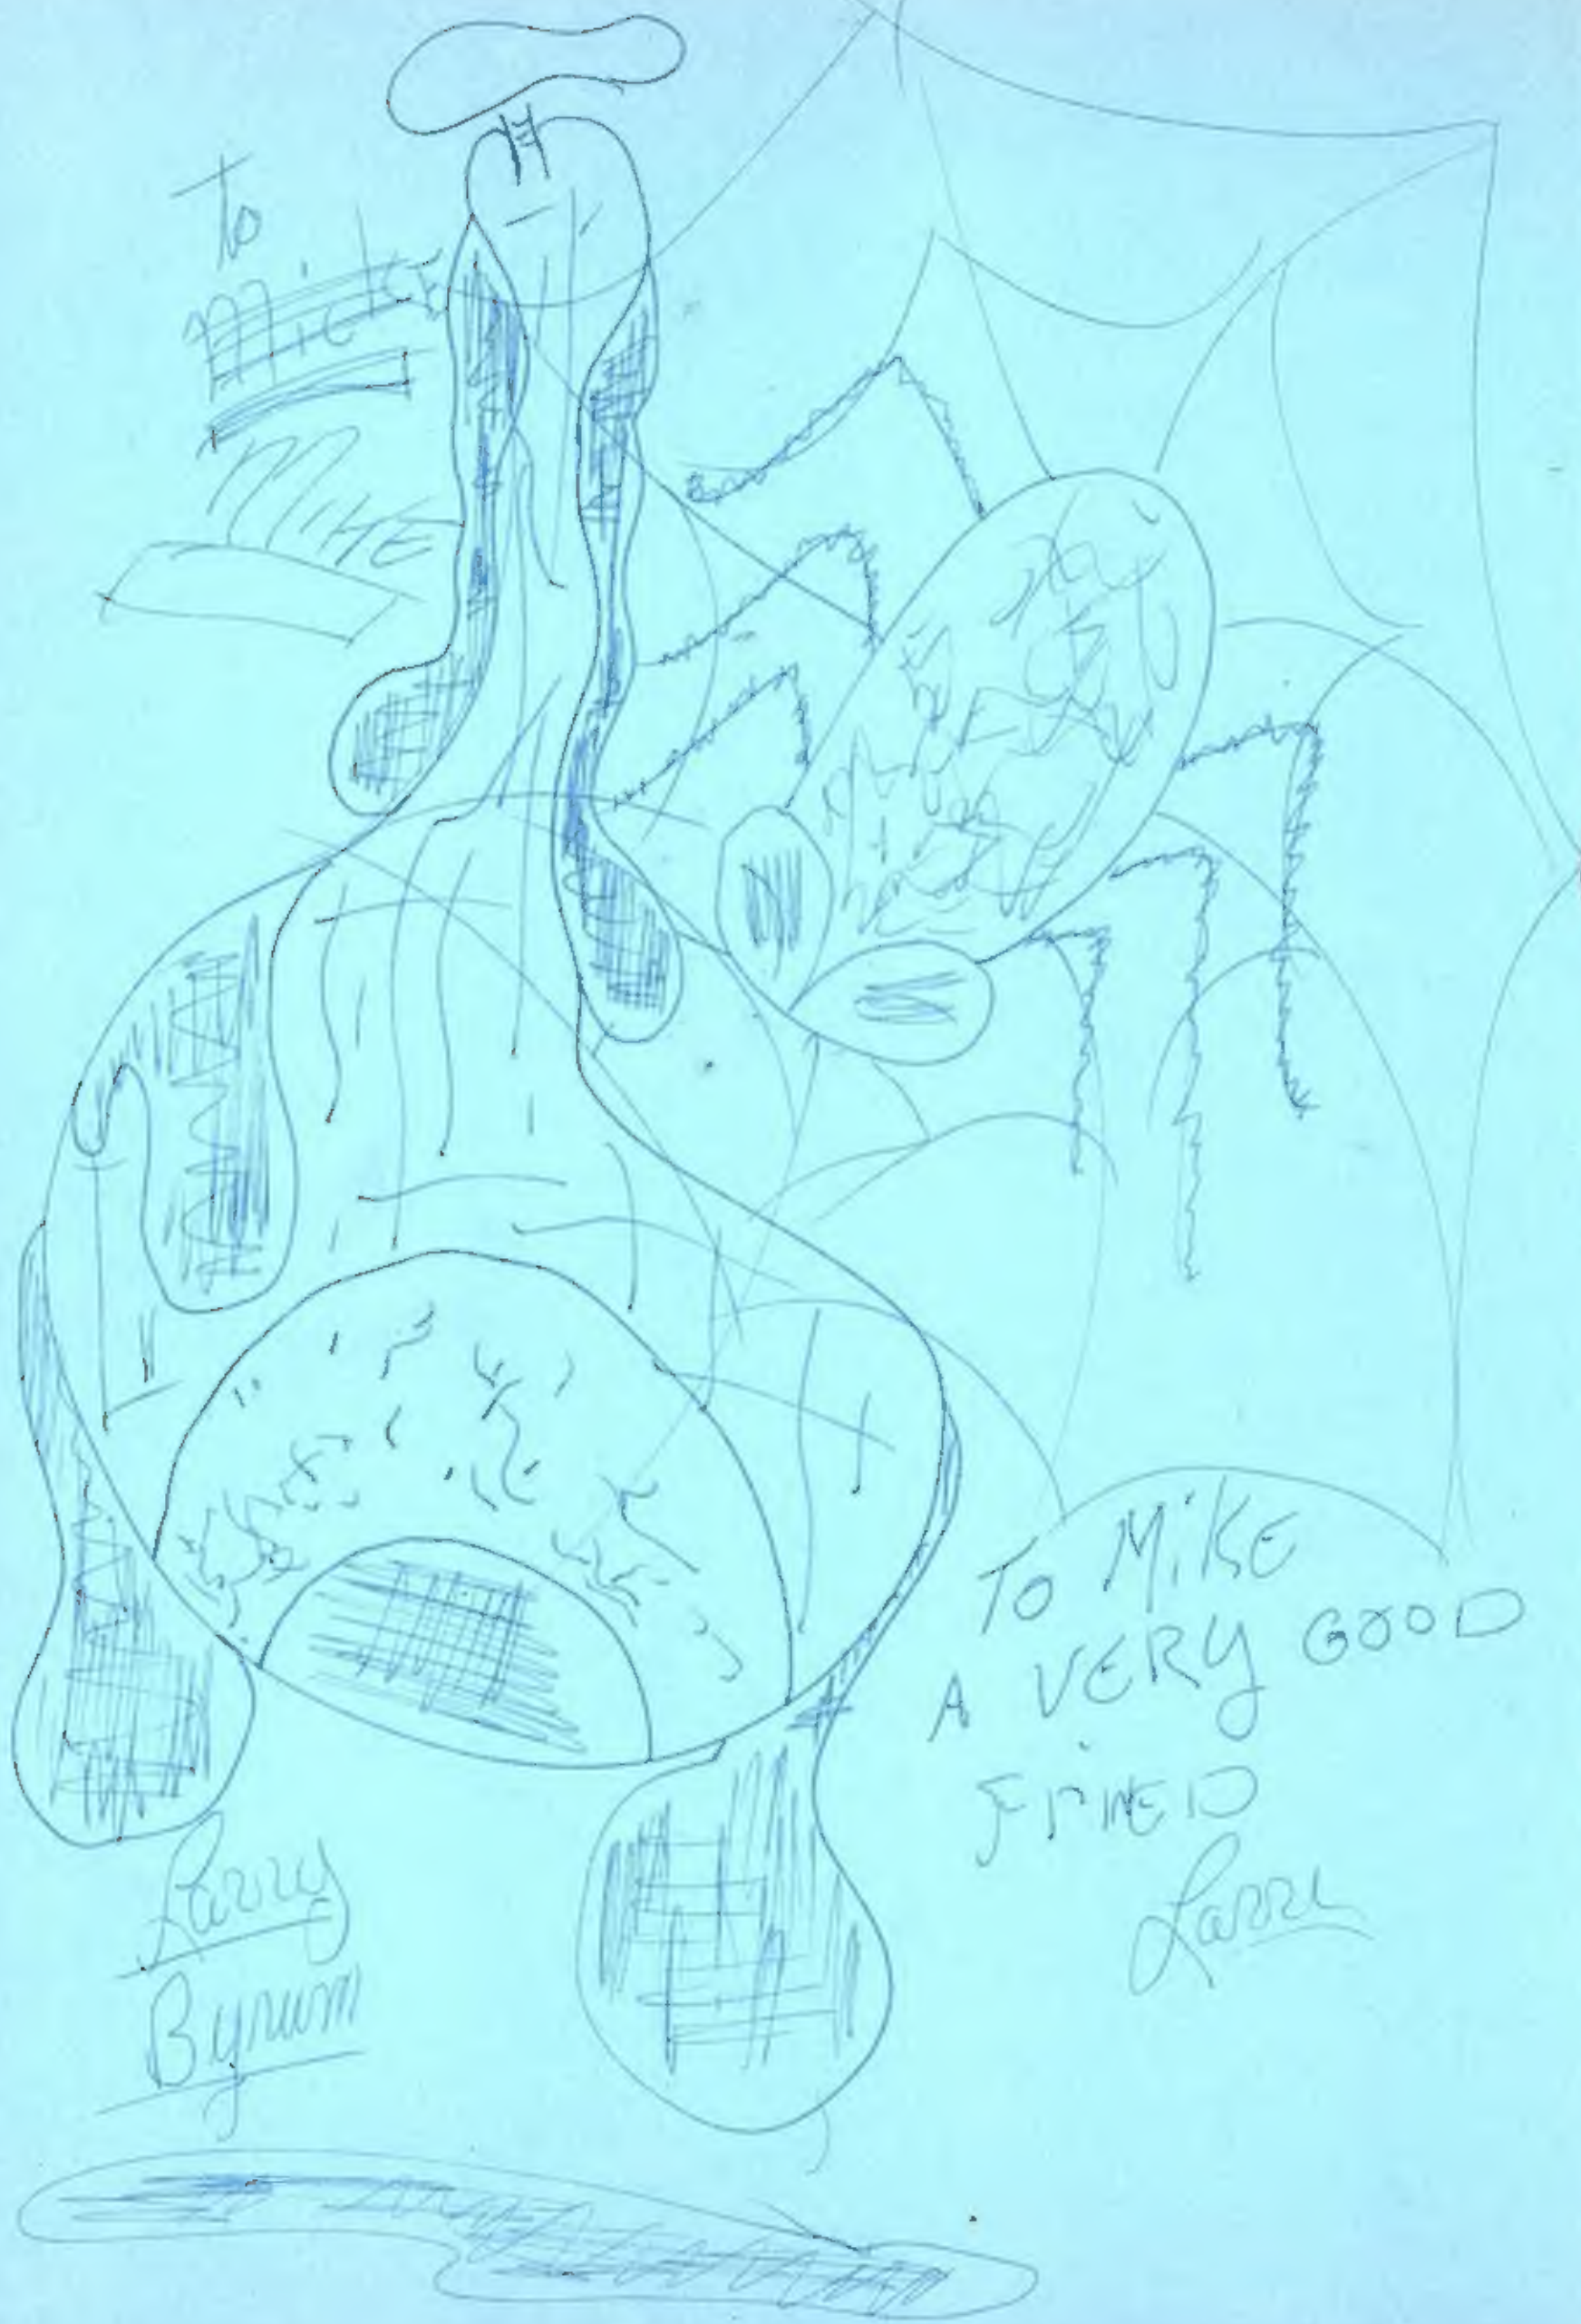

Hey, I still have your  
Teddy bear! Remember?

Well I wish you all the  
happiness in the world.

The Best Always.

Love ya lots  
Linda Fish

Mike, I read  
about a real  
bullet guy and  
we've had a lot  
of good times last  
year. But not year.  
So I hope we can  
become better friends  
next year.

Good Luck
